

APEX BIOLOGICS | TERMS OF SERVICE

Bismarck, MO | Essentials (summary page)

Effective Date: February 23, 2026

1. Small-Batch Fulfillment:

All products are produced in small batches in Bismarck, Missouri. Orders are subject to our Friday 4:00 PM CST cutoff. Orders placed after the cutoff will be processed in the next production cycle.

2. Topical Use Only:

All products sold by Apex Biologics are intended for topical cosmetic use only.

3. Shipping:

We are not responsible for delays caused by carrier services once the batch has been dispatched from our Missouri facility.

4. All Sales Final:

Due to the custom, small-batch nature of our products, all sales are final once the production cycle has begun.

DISCLAIMER: This page provides a high-level summary for convenience and does not replace full, legally binding terms. Use of this document must comply with applicable laws, platform policies, and labeling requirements.
